CONNECT AND ENGAGE WITH MACALESTER STUDENTS

We make it easy to meet and recruit students! Please review our recruitment options below. For questions or to express interest in any of the following, email recruiting@macalester.edu.

Post opportunities*

Share your jobs or internships with Mac students and alumni using Handshake. Create an account at macalester.joinhandshake.com and start posting positions today! Want even more visibility for your positions? Boost your reach by asking us to share it on our #WhatsNewWednesday series on Instagram! Each week, we spotlight exciting new job and internship opportunities.

Visit campus*

If you are posting jobs and internships with us, visit campus to table and/or host an info session. Our monthly tabling events feature 8-12 employers and take place in high-traffic areas on campus. For students, this is a casual and low-stakes opportunity to connect with employers between classes. Info sessions typically last 30-45 minutes and give employers an opportunity to present their company and opportunities. We'll help you choose the best option to meet your needs.

Sponsor drop-in hours

Make a lasting impression by sponsoring our resume review drop-in hours, held Monday through Thursday from 4-6 p.m. Sponsors provide food and share valuable industry insights with students looking to enhance their application materials.

Attend a career fair*

Macalester participates in the MN Private Colleges' Job & Internship Fair and the MN College and University Career Services Association Government & Nonprofit Career Fair. Both fairs are excellent opportunities to connect with a large number of students and access a terrific talent pool.

Host a Macalester intern

Academic internships are an integral part of a Macalester education because they help students connect what they learn in the classroom to a professional workplace setting.

Host a site visit

MacExplore site visits allow students to explore careers and make connections with alumni and employers. Visits typically last around two hours and may include an office tour, a panel presentation, and a Q&A session.

Employer strategy meeting*

We look forward to learning more about your organization and recruiting needs. We will explore the best strategies to connect you with Macalester students.

** Great for new employer partners*
