

Faculty Intern- Summer 2017

Position Information

Employer:

Loomis Chaffee

Division:

N/A

Title:

Faculty Intern- Summer 2017

Description:

The Loomis Chaffee School is eager to employ bright, energetic, enthusiastic, and industrious young men and women for its five-week residential Summer Program.

Each summer, we enroll 140+ students from around the globe who will be entering grades 7-12 in the fall of 2017. Last year, we hired 12 interns and plan to hire that many again this year.

The school's 300-acre campus is located at the confluence of the Connecticut and Farmington rivers in Windsor, CT, about five miles north of Hartford and almost equidistant from New York City and Boston (two hours). During the regular academic year, the school is home to 675 students and 150 faculty members, all of whom enjoy the aesthetic beauty of the campus and the pragmatic benefits of some of the finest facilities in the secondary-school world.

To help us run the five-week Summer Program, we seek talented college students who are aspiring educators who will have just finished their junior or senior years and wish to gain authentic experience in the world of education. Ideally, all interns will possess a valid driver's license. Each intern will receive three days of orientation in preparation for the five-week program. Their roles will include: teaching assistant in two or three classes, coach of afternoon athletic activities, supervisor of dormitory activities, and chaperone of weekend trips and social events. For their substantial commitment to the enterprise, the interns will receive a salary, room and board, and a valuable professional experience as an integral member of a residential school environment.

How To Apply

All interested candidates should visit our website to learn more. In order to apply, the prospective Faculty Intern must submit the Faculty Intern Application Form, two different letters of reference, one of which must be from an official (professor, administrator, or coach) from his or her college, a cover letter, a resume, and an official transcript. After receiving these materials, I will contact selected applicants to schedule an interview.
