Beginning in 2015, when international students have citizenship in two countries, both countries are counted.

\*Starting fall 2017, students are able to self-report an Institutional Gender that differs from their legal sex. Institutional Gender is reported here.

\*\*Starting fall 2024, students are able to self-report additional institutionally recognized genders, including Non-binary, Genderfluid/Genderqueer, and X. Those three self-identification options are grouped together here under the historically used label 'Nonbinary.'
