A Bill Allocating Funding for the 2014 Midnight Breakfast from the Operating Fund

WHEREAS, Midnight Breakfast has been consistent campus-wide event prior to the final examination period.

WHEREAS, MCSG has regularly been a significant supporter of this event dating back to its inception as a Program Board event. Each year MCSG supports the cost of the Midnight Breakfast. Last year, MCSG contributed \$513.50.

WHEREAS, when Allison Greenlee advised the PB, she began to feel that it was not necessary or fair for students to organize this particular event as she believed it should be staff/faculty planned and served. The PB continued to pay for it for a few years, then we agreed that it should just come out of the MCSG Operating Account.

WHEREAS, the 2013-14 Executive Board failed to include this in the MCSG budget for this year.

*Upon approval of a simple majority of the Legislative Body assembled the Macalester College Student Government will allocate **\$596.90** as their share of the Midnight Breakfast costs from the operating fund.*

This bill shall go into effect immediately upon passage.
