Update from the Ad Hoc Committee of the Board of Trustees

Submitted by: Sara Suelflow, Secretary to the Board of Trustees, on behalf of the Ad Hoc Committee of the Board of Trustees

As previously communicated, an Ad Hoc Committee of the Board of Trustees has been meeting to review the Mac for Palestine student proposal regarding divestment. The committee held listening sessions over the past several weeks and is reviewing written feedback submitted by members of the community. The committee appreciates the thoughtfulness, passion, and respect with which members of the Macalester community have engaged to provide feedback and input. The [Mac for Palestine proposal portal](#) on the college website includes the student proposal, the report from the Social Responsibility Committee (SRC), and a link to a form where members of the community can provide feedback to the committee. **The feedback form will remain open through Friday, October 11.**

The Board of Trustees wishes to thank those who provided input during this process. The Ad Hoc Committee is continuing its work to review the proposal and will update the community when there is new information to share. The Board hopes to announce a final decision by the end of the fall semester.
